Kurling Festival

Depending on the weather, we will be attending the Kurling festival at Wolsingham secondary school on Monday morning. The children will be transported to Wolsingham by PBS Travel and will return to school in time for lunch. Children will get changed into their school PE kit on arrival, they must bring trainers with them.

Message from Mrs Hodgkinson

Welcome back to school. It's been lovely to see the children back rested and ready for the challenges of a new year.

We have an exciting topic ahead of us this term, "Off with her head!", where the children will be learning about the Tudors and Henry VIII and his six wives.

Winter Weather Arrangements

Just a reminder of arrangements for snowy days. We liaise with transport contractors first thing every morning on wintry days. If the weather is reasonable and we are certain that a teacher and one other adult are able to get to school, we will attempt to open for teaching purposes. We will

accept the children from taxi drivers once two members of staff are on site.

In the event that we have to take a decision to close, we will inform you of that decision by:

- Posting on DCC website
www.durham.gov.uk/schoolclosures
- Text message
- News item on school website
- Facebook post

Please ensure that your child brings a warm coat, hat and gloves to school each day. Your child will also need wellies or boots on snowy days and a pair of indoor shoes to change into.
